

AJIRY COOKIE POLICY

We use cookies on the Ajiry Website for a variety of purposes which are described in this Cookie Policy. By using the Ajiry Website you consent to the storing and accessing of Cookies on your device in accordance with the terms of this Cookie Policy.

What are cookies and what do they do?

A cookie is a very small text document, which often includes an anonymous unique identifier. When you visit the Ajiry Website, there is a prompt that informs you that our site uses cookies by default.

Consent and blocking of the use of cookies on the Ajiry Website

By navigating away from the home page of the Ajiry Website and continuing to use the Ajiry Website, you are consenting to our use of the Cookies described in this Cookie Policy.

If you do not consent to Ajiry using Cookies or, having previously consented to our use of Cookies, you decide to block such use then please read the next section of this Cookie Policy entitled “Blocking our Use of Cookies”.

Blocking our Use of Cookies

You can block our use of Cookies at any time by activating the settings in your web browser. Please visit [All About Cookies](#) where you can find comprehensive information on cookie management for a wide variety of web browsers.

What Happens if I Block Cookies?

If you choose to withhold consent to Ajiry 's use of Cookies, or subsequently block Cookies that you previously consented to, some aspects of the Ajiry Website may not work properly and you may not be able to access all or part of our Ajiry Website .

How we use cookies on the Ajiry Website

Session Cookies

We use Cookies to allow the Ajiry Website to uniquely identify a user's browsing session on the Ajiry Website and to allow us to coordinate this information with data from our Ajiry Website server.

Analytics

We use Google's "analytics" Cookies which, in conjunction with our web server's log files, allow us to identify unique, but anonymous users. These Cookies can also calculate the aggregate number of people visiting our Ajiry Website, the date and time of a user's visit to the Ajiry Website , the pages a user has viewed and the time spent by users at the Ajiry Website . This helps us gather feedback so that we can improve the Ajiry Website and better serve our users.

Third party web sites and platforms

Your use of third-party web sites and platforms such as Twitter, LinkedIn and Facebook, and the privacy practices of these platforms, are governed by separate terms, conditions and policies for which Ajiry is not responsible. You should review Facebook's terms, conditions and policies where you will find more details on how information about you is used on their platforms and how you can set your privacy preferences.

You can find more information about the individual Cookies we use and the purposes for which they are used in the table below:

Cookie Type Purpose

Google Analytics

This Cookie is placed by Google. It enables Ajiry to learn information about our users use of the Ajiry Website such as the time of visit, the pages viewed, whether the user has visited before and the website visited prior to visiting the Ajiry Website.

To opt-out please see <https://tools.google.com/dlpage/gaoptout>

Facebook Pixel

This Cookie is placed by Facebook. It enables Ajiry to measure, optimize and build audiences for advertising campaigns served on Facebook. In particular it enables Ajiry to see how our users move between devices when accessing the Ajiry Website and Facebook, to ensure that Ajiry's Facebook advertising is seen by our users most likely to be interested in such advertising by analyzing which content a user has viewed and interacted with on the Ajiry Website .

To opt-out please see <https://www.facebook.com/ads/preferences>

Cookie Pop Up

cookie Accept

This Cookie is placed by Ajiry. It is used to record when a user of the Ajiry Website has viewed the Cookie notice to prevent it re-appearing on return visits.
